I contributi che Leggere il tedesco per gli studi umanistici Deutsch lesen in den Geisteswissenschaften indirizzato a studenti e studiosi delle discipline umanistiche, principianti assoluti di tedesco, che vogliono acquisire una solida competenza di base nella lettura. Phin, the first three or four times he tried to appear on Main Street, was "spotted" and hissed by High School boys. Shameless self-promotion is off-putting and it made me wonder just how many listed works, not just in the Bibliography but in examples used throughout, were chosen because the author was connected in some way to Lowenkopf.
