He meets Mavis and Kynder and they start realizing what they want in life and slowly discovering themselves.

The Devils Bed

Legacy Arms. With the Industrial Revolution at home, manufacturing became Britain's economic backbone.

Journeys Through Bookland, Vol. 5

Generally, it is suggested to abandon nationalism and religious radicalism, and for the peoples of the world to work together and focus their attention on addressing the threats to human survival and wellbeing. Here behind the balustrade of a balcony was a young man in a short cloak, holding in his arms a young girl in a white dress wearing an alms-bag at her belt; or there were nameless portraits of English ladies with fair curls, who looked at you from under their round straw hats with their large clear eyes.
