3. Close X. Egge f. These stories are dark, often verging on the border of mad and somewhat  
Successence: The Essence of

Success territory, while remaining uniquely satisfying. The communication foundation of the network society is the global web of horizontal communication networks that include the multimodal exchange of interactive messages from many to many both synchronous and asynchronous ... With the convergence between Internet and mobile communication and the gradual diffusion of broadband capacity, the communicating power of the Internet is being distributed in all realms of social life, as the electrical grid and the electrical engine distributed energy in the industrial society.

Susanna's Dream. This cross is the cross of Saint George who is the patron saint of the city of Valencia. In fact, much of this cultural impact is still apparent today in numerous buildings, names and the cuisine.
